

TARGET MARKET DETERMINATION

ATC “Travel” Insurance

This target market determination is designed to provide customers, distributors and ATC staff with the appropriate information to understand who this product has been designed for and our approach to determining that the product is likely to be consistent with the objectives, financial situations and needs of the customer and the distribution conditions.

In this document the terms “ATC”, “we”, “us” or “our” refer to ATC Insurance Solutions Pty Ltd.

ATC “Travel” Insurance Product

The ATC “Travel” Insurance Product provides insurance for medical, emergency travel and rescue expenses, cancellation or curtailment costs, travel delay and replacement, personal liability, personal property, money, legal expenses, hijacking, political evacuation, car hire excess waiver and hospitalisation benefits for sports groups whilst they are undertaking a trip outside and/or within their country of residence

The “Travel” Insurance product has been designed for sports groups who want to be covered for the specified covers (including medical expenses) whilst undertaking an insured trip outside and/or within their country of residence.

We have determined that this policy is likely to be consistent with the likely objectives, financial situation, vulnerability, hardship considerations and needs of the market because:

- it provides consumers with certainty as the benefits they may be entitled to if an insured event occurs
- it provides additional benefits for circumstances that are likely to arise from an insured event and other events that might cause loss connected with injury.

This product is suitable for people who:	This product is not suitable for:
<ul style="list-style-type: none"> • are Sports Groups participating in club sanctioned activities outside and/or within their country of residence where their travel is scheduled to last no longer than 180 days. 	<ul style="list-style-type: none"> • individuals not part of a sports group who are undertaking a trip outside and/or within their country of residence • individuals or a Sports Group seeking coverage for Accidental Death and Loss of Income • sports Groups whose trip is scheduled to last more than 180 days • sports Groups who participate in extreme sports as defined • individuals or Sports Groups who travel against the advice of a medical practitioner or after a terminal prognosis • individuals or Sports Groups who only require travel insurance for non-sporting activities • individuals who are aged over 75 years.

Reviewing this document

We will review this TMD within 2 years from the effective date to ensure it remains appropriate.

We will also review this TMD if any event or circumstances (called 'review triggers') occur that would reasonably suggest that the determination is no longer appropriate, such as:

- We make a material change to the cover provided by the product.
- A change in our acceptance criteria that impacts on the suitability of the product for the target market.
- A material change to the distribution of the product.
- The discovery of a relevant and material deficiency in the product's disclosure documentation.
- Systemic complaints and claims issues which indicate that the product is no longer suitable for the described target market.
- Material and relevant reductions in our key product suitability metrics such as:
 - customer satisfaction
 - product acceptance
 - financial performance
 - product value and affordability.

We will review this TMD within 10 business days of the occurrence of any review trigger.

Reporting

ATC must record all complaints received about this product on a quarterly basis (Complaints Reporting Period). Underwriters are required to provide to ATC Compliance Committee the written details of any complaints about the product they have received during the Complaints Reporting Period within 10 business days of the end of the period.

Underwriters are required to provide regular and incident-based reporting on key metrics (see the heading “Reviewing this document”) to allow us to review this TMD.

Underwriters are also required to report to ATC Compliance Committee if they become aware of significant dealing in this product which is not consistent with this TMD within 5 business days of becoming aware of such dealing.

ATC Operations Manager must report sales data including number of policies issued, renewed and cancelled on a monthly basis. This report will be made available within the first week of every month for the previous reporting month and shared with all underwriters and ATC Compliance Committee.

Record keeping
