## SECTION B General Disclosure

Please carefully read the following important information, before signing and dating the declaration.

### Your Duty of Disclosure

#### Your duty of disclosure obligation for new insurance contracts

Before You enter into an insurance contract, You have a duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

#### You do not need to tell Us anything that:

- reduces the risk We insure You for
- is common knowledge
- We know or should know as an insurer or
- We waive Your duty to tell Us about.

#### If You do not tell Us something

If You do not tell Us anything You are required to, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both. If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

#### Your duty of disclosure obligation for renewal of contracts

Before You renew this contract of insurance, You have a duty of disclosure under the *Insurance Contracts Act 1984* (Cth). If We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

Also, We may give You a copy of anything You have previously told Us and ask You to tell Us if it has changed. If we do this, You must tell Us about any change or tell Us that there is no change.

If you do not tell Us about a change to something You have previously told Us, You will be taken to have told Us that there is no change.

You have this duty until We agree to renew the contract.

#### If You do not tell Us something

If You do not tell Us anything you are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both. If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

#### Your duty of disclosure obligations when amending Your insurance contract

You have previously been given a notice informing You of Your duty of disclosure in relation to an eligible contract of insurance.

This is a duty to tell Us, in response to Our questions, anything that You know, and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until We agree to insure You.

#### If You do not tell Us something

If You do not tell us anything you are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both. If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

#### Under Insurance

This means that if You under insure, You may be required to bear a portion of the loss.

#### Inadequate space to answer

If there is inadequate space to answer any questions, or You need to disclose something to Us because of Your duty of disclosure, please attach a separate piece of paper to this proposal form providing full details.

#### Record of answers

This insurance proposal is based on the information You provided to Us, as recorded on this form. You must review this information carefully, to ensure all questions are fully answered and of the details recorded are correct and complete.
